

UXSG Wallet Onboarding

User Flow Chart version 2.0

J.1

Hi Ashley,
Thanks for downloading our app, we hope you enjoy it. To start, we have given you 5 UXSG tokens to get your feet in the water.

And if you are up to it, how about we try sending tokens to a friend of mine with a "Scan."
Try sending 5 UXSG tokens with the QR Camera Icon, found on the top left of the home screen.

J.2

Thanks Ashley,
Karl was really surprised to see 5 UXSG in his wallet.

As a thank you, I want to give 10 UXSG tokens so you can join us at one of our events.

You can find events listed on the home screen by selecting the "Events" button.

Thanks Again,

J.3

Hey Ashley,
Hope Myers just told me you decided to attend her event as your first.

But it looks like you are out of tokens, no worries. We can always earn some more. Try going to "Marketplace" on the home screen and and select "Complete 3 question survey."

"Marketplace" is also a great place to post requests to help out with your user research.

J.4

Hi Ashley,
Thanks for completeing our survey.

These come along way, and helps us develop a product that is better suited for you guys.

Now that you have some tokens to spend, why don't we try out a "Trade." It can be found on the home screen under the "Trade" button. Look for me on the "Trade Listings."

J.5

Hey Ashley,
It's been great trading with you.

I believe you have a firm grasp on how to use our wallet app, but if you have any questions. You can use the "Support" button on home screen to fill in the gaps.

Oh, but one last thing. I forgot to mention, your "Address Book" houses everyone you have ever traded with or have recieved tokens from. So if you have ever forget somones name. You can always check your "Address Book."

Thanks again for joining our community.

H.1

Event RSVP'd.
The Politics of UX: Working within an organization as a UX professional

You can find additional information from our email, or check back on the event through the "Events" button.
